National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

HOMECOMING 1965

A snake dance and a bonfire began the 1965 Homecoming celebration on Thursday evening, October 7.

The following day at 2:00 the coronation of the homecoming queen took place in the high school gym. Ron Lambert, vice president of the student council, crowned Bonnie Bryant the 1965 Homecoming Queen. Attendants to the queen were Connie Hutcheson and Nan Dill; Honorary escorts for the coronation were John Caldwell, Brad Griffith, and Ron Perkins. Following the coronation, there was a parade from the school to the town intersection where a pep meeting was held.

The Tigers defeated Danville by a score of 27-6. At the half the queen and her attendants were presented. Escorts were Lonnie Dean, Jim Thomas, and Tom Bryant.

The winners of the parade entries were also announced. The Juniors received first with "Vive le Tiger", Seniors were second with "It's in the Bag", We Shall Return", the Sophomore float received third place, and the Freshmen were last with "We Have Not Yet Begun to Fight".

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.
